Subject: RE: [EXTERNAL] STREETLIGHT QUOTE

Hi Gene,

Per our conversation, the best option for a streetlight at this location is to set a new pole and streetlight in the area around the existing Runny Meade sign. A rough estimate is approximately \$1100-\$1200 for installation. Upon completion, the township will be billed the monthly fee for the light as outlined by our tariffs. Unfortunately there's no room on the existing pole due to where we'd have to add the light, and we'd be encroaching on CATV facilities. If you choose to move forward in the future, please reach out, and I will be happy to help.

Warmly,

Alexis

Be good, Be kind, Be careful.

Subject: [EXTERNAL] STREETLIGHT QUOTE

Hi Alexis, I was given your info from our Police Chief. Some residents are interested in having a streetlight at their intersection of Runnymede Trail and Russell Road. I was given a contact number of a gentleman named Gabe out of the Mayfield office. I have made several attempts to reach him but have had no response. At this time we are looking to get a Quote on a light at this intersection. Is this something you can help us with or point me in the right direction? Thank you.
