Novelty, Oh 44072

Re: Traffic Count Program
Russell Township

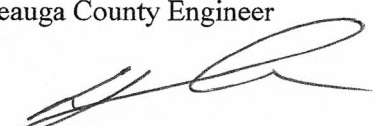

Dear Trustees,

Traffic Counters were placed on Township Roads during 2014 and 2015. The counters were in place for 48 hours. The resulting average 24 hour count has been included with this letter. In addition, we have provided the available count information from 2009.

The next planned count for the roads in the township will be in 2019. Should you need a specific road counted prior to that time or have any questions regarding the attached information, please let me know.

Sincerely,

Joe Cattell, PE, PS
Gauga County Engineer

Nicholas J. Gorris, PE
Deputy Engineer
