Dear Member:

Thank you for your participation in the 2015 MORE Grant Program which is designed to assist OTARMA Members in financing risk management initiatives to reduce or eliminate risk exposures leading to liability and property claims.

Your check is enclosed!

As a reminder, all OTARMA Members are encouraged to participate and apply for up to \$500 in grant funds per township. If you have not yet met the \$500 allowable amount, we encourage you to continue with your participation during the application period (from January 1 through December 31, 2015).

Qualified expenses include:

- **Ohio Township Association Annual Conference** - Registration fees (only) for the Ohio Township Association's Annual Conference.
- **Safety Equipment** - Automatic Electronic Defibrillators (AEDs) and Personal Protective Equipment (PPE) such as reflective vests, turnout gear, respiratory devices, bulletproof vest, and other safety or protective equipment.
- **Risk Management and Safety Training, Workshops or Seminars** - The fees for Risk Management and Safety Education such as Lexipol for Law Enforcement, Certified Playground Inspector Certification, and CPR Training.

The funds are available for expenses already incurred or planned in the current calendar year. Verifying documentation - a receipt (if already paid for) or a price quote (if a planned expense) - must accompany a completed application.

For more details see *Quick Links* on the OTARMA Website or contact your OTARMA Representative at 800-748-0554.
