Re: Notice of the Geauga-Trumbull Solid Waste Management District's Intent to Designate Facilities for the Receipt of Solid Waste Generated Within Geauga and/or Trumbull Counties

Dear Township Trustees:

On June 2, 2016 the Board of Directors ("Board") of the Geauga-Trumbull Solid Waste Management District ("District") duly enacted a resolution declaring its intent to designate NEO-ARC, LLC, 1400 Front Street, Warren, Ohio 44484 for the receipt of solid waste generated within Geauga and/or Trumbull Counties. Specifically, in conformance with Revised Code §343.014, the Board has determined that in order to fulfill the requirements of the current Solid Waste Management Plan ("Plan"), which was approved by the Director of the Ohio EPA on January 5, 2007, it believes it necessary to designate facilities for the receipt of solid waste generated within Geauga and/or Trumbull counties. The designation of facilities is intended to insure the adequate finance implementation of the Plan by way of designating solid waste facilities to which all solid waste generated within the District must be taken, and to execute a designation contract with such solid waste facilities pursuant to which a contract fee will be paid to the Board as consideration for the Board's designation of any solid waste facility. The contract fee shall be five dollars and fifty cents (\$5.50) per ton.

The District desires to obtain public comment towards the designation of MEO-ARC, LLC for this purpose, and thus, a copy of said resolution is available for inspection at the District. You may submit written comments from June 16, 2016 through July 12, 2016 to the District office c/o Robert Villers. A public hearing will be held on July 25, 2016 at 10:00 a.m., at the District's. You, and anyone who has an interest in making comments toward the District's intent to designate this facility, are welcome to attend the public hearing and be heard.

Should you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Robert Villers".
