

Russell Township Road Department

Memorandum

To: Board of Trustees, Fiscal Officer

CC: **Melisa Palmer**

From: Gene Layne

Date: 8/22/2017

Re: 2018 County assisted project recommendations

Attached are my recommendations for 2018 road projects to possibly be done in correlation with the County Line Road project. It is less than a half mile in total for both of these roads and I think it would be cost effective to try and work these in if possible. I would appreciate this being on the September 6th agenda.

Geauga County Engineer's Office
2018 - Township Project Request
