OK to Proceed. This is a net savings to the taxpayers of approximately \$600. I will have a motion prepared for the Trustees to approve after the fact at their 9/7/2016 meeting. Thank you.

We are preparing for the asphalt overlay on Harmony Falls. The contractor, GAR Paving who is working with us on this project has concern about our asphalt supplier; Shalersville Asphalt. We have had issues all summer with Shalersville. Plant break downs and product availability has forced us to use other suppliers on many occasions. In checking with Kokosing Materials in East Claridon, one of our alternate suppliers, we can get asphalt for \$2 per ton less than what we are currently paying thus saving us \$600. I am requesting purchasing the asphalt for this job from Kokosing Materials.
